in 

## **Practice Areas**

Banking, Concessions, Corporate Law, Finance and Insurance, International Trade and Foreign Investment, Mergers and Acquisitions, Public-Private Associations and Infrastructure Projects

---

**With thirty years of experience in banking and corporate law in Latin America, this Managing Partner and International Counsel stands out for his strategic handling of financing and investments. His solid background in commercial law and financial legislation underscores a commitment to excellence and legal innovation at an international level.**

Octavio is the Managing Partner and International Counsel at Coronel & Pérez and has more than 30 years of experience in the banking and legal practice in Latin America. During that time, he participated in financing and investments for public and private clients from different sectors and industries throughout Latin America and the Caribbean.

Before joining Coronel & Pérez in 2021, Octavio acted as General Counsel of Corporación Andina de Fomento (CAF), advising the organization on corporate matters, as well as in structuring, negotiating and documenting of operations in all the jurisdictions where this multilateral operates. In this and in his previous

**Skip to footer content** ; where he worked for 19 years, Octavio built an extensive

experience with an emphasis on capital investments, financing of infrastructure projects, portfolio recovery and restructuring, resource mobilization, special liquidity programs, and capital increases, among others. Prior to his work at CAF, he worked as a lawyer specialized in banking and finance in Colombia and held leading positions in important financial institutions in Colombia and Ecuador.

## Experience

Octavio is an accomplished leader and legal professional with more than 30 years of solid experience in international legal practice acquired in multilateral development institutions, the banking industry and private law practice who has participated in several capacities in the most complex cross border transactions with the private sector and governmental entities throughout Latin America, as well as in high-level negotiations with shareholder countries on immunities, exemptions and privileges matters, and with non-shareholder countries regarding their potential incorporation to multilaterals. Among his relevant experience in LATAM, including in Ecuador, we highlight the following:

- Represented international lenders and multilateral institutions in the structuring of significant infrastructure projects.
- Represented equity and cuasi equity investors, in multiple sectors, including agricultural, development institutions, insurance, microfinance, investment funds, etc.
- Represented lenders and multilateral institutions in dealing with non-performing assets, debt restructuring, workouts, asset liquidation, turnarounds, and exit strategies.
- Represented lenders in A/B Loans, subordinated and mezzanine loans, partial credit guarantees, etc.
- Grants, technical assistance.
- Climate finance, LAIF, GCF, Carbon bonds, etc.
